

Health Screening Form for YW Camp

Required for All Attendees - Leaders/Staff and Young Women

Name _____

Health screening of campers and leader/staff is critical to prevent an illness outbreak from starting. Per Title 17, Section 30750 of the California code of Regulations, screening shall be conducted by a qualified health supervisor for all campers and leaders/staff within 24 hours of arrival at camp. Ideally, pre-screening of campers and leaders/staff should be done prior to arriving at camp to prevent the spread of illness. Records for the health screening must be maintained at the camp. The screening should include the following inquiries:

Have you shown any of, or been in contact with others who exhibited, the following symptoms within the past 24-48 hours prior to camp arrival?

	Yes	No
Fever (oral temperature 100.4 degrees Fahrenheit or above)		
Sore throat with fever		
Vomiting		
Diarrhea		
Severe itching of body or scalp		
Open draining sore on skin		
Severe headache		
Flu or flu-like symptoms (fever, sore throat, cough, weakness, fatigue, sneezing, nausea, body aches)		
Rash		
Have you been exposed to any known contagious disease in the last week?		
If yes, please explain:		
Has a copy of the staff/camper immunization record been obtained?		

Signature of Health Supervisor _____

Date _____
